PETITIONER'S REPLY BRIEF

Pursuant to Rules 34.1(c) and 34.6 of the Supreme Court Rules, respondent Mountain Mission School's Brief in Opposition should be stricken because:

1. There is no table of authorities
2. No citations are listed in support of respondent's argument
3. Respondents offer no argument in opposition to the class question raised by petitioner
4. Denial of an interlocutory petition for a writ of certiorari is not a ground to reject the present petition.
5. Respondents bring up irrelevant, scandalous matter from which petitioner Bloch was completely exonerated 25 years ago.

Wherefore respondents' Brief in Opposition should be stricken by the Court.
